

Summer 2023 Workshop with Kika Shibata Sensei

Las Vegas 24 - 27 August

DAY 2 (AM Workshop)

The theme for Saturday's workshop was "Weaving". A large two-foot palm frond was given to each person. Sensei taught the group how to create a design by weaving the leaves. Those who could not complete the task in a timely manner, were instructed by Sensei to braid the remaining leaves. The completed design was then folded and bent into a new shape. Some students created a basket, others rounded and curved their creations.
